

# Year-round family fun & competition pool

## *A Pool At Bellevue Airfield Park!*

Adopted Bellevue Airfield Park Master Plan

**It's been over 50 years since the last public aquatic center was built on the Eastside!**

What worked in the 1970's is no longer sufficient to meet the needs of our growing & diverse community. Bellevue Airfield Park is our chance to change that so that we can create more equitable access to aquatic opportunities and make our communities healthier and safer around water for generations to come. **We need your support to make this happen.**

### *Something for Everyone*

- 1. Water recreation & exercise, youth & adult aquatic sports, lap swimming, cardio/fitness classes, water park, events, gathering spaces, birthday parties*
- 2. Learn to swim for youth & adults, adaptive swim, culturally responsive programming*
- 3. Year-round training for high school, club teams (youth & masters), regional competition facility, indoor configurable 50m*
- 4. Water safety classes, lifeguard training, warm water therapy, etc*
